Why Cherrybank ?

Cherrybank offers its residents that countryside tranquillity away from the havoc, noise, and traffic jungle of the big cities. Cherrybank Reef Estate is not only a lifestyle but an excellent country retreat. You are not just buying a stand you are buying into the vision of creating an exclusive community. A place where you can work, learn, relax and play. Cherrybank City is here to redefine the Kadoma Real Estate Market and bring you a product that will not only appreciate in value exponentially but introduce you to a whole new lifestyle.
